## WHO WE ARE

At Manitoba Possible, we believe an inclusive and accessible society is possible. We work together with those we serve, our colleagues, other organizations, funders, donors and others to eliminate barriers to full and equal participation.

We are the provincial branch of Easter Seals Canada.

## WHY WE EXIST

For an inclusive and accessible society. An inclusive and accessible society means there is a valued place for everyone.

It's time to ask every individual, business and partner in our province, "What is possible for Manitobans with disabilities?"

## WHAT WE DO

We provide a diverse spectrum of programs and services emphasizing choice and self-determination, for thousands of children, youth and adults with disabilities and in the Deaf community through Manitoba.

We eliminate barriers by creating access and emphasizing inclusion.

# PROGRAMS

We provide programs and services to all Manitobans with disabilities, operating out of three Winnipeg offices, six regional offices and 15 program areas while supporting 15 self-help organizations.

# SERVICE SINCE 1950

In 1950, we began as the Society for Crippled Children, to assist children and youth with disabilities.

In 1985, we became the Society for Manitobans with Disabilities, reflecting a then contemporary image for persons with disabilities and their families.

In 2020, we became **Manitoba Possible** - not a society for Manitobans with disabilities, a society for all. Seeing what's Possible. Fighting for Possible. Making Possible Happen.

In 2021, we proposed "The Development" - an inclusive and accessible place to live, work, shop and play.
